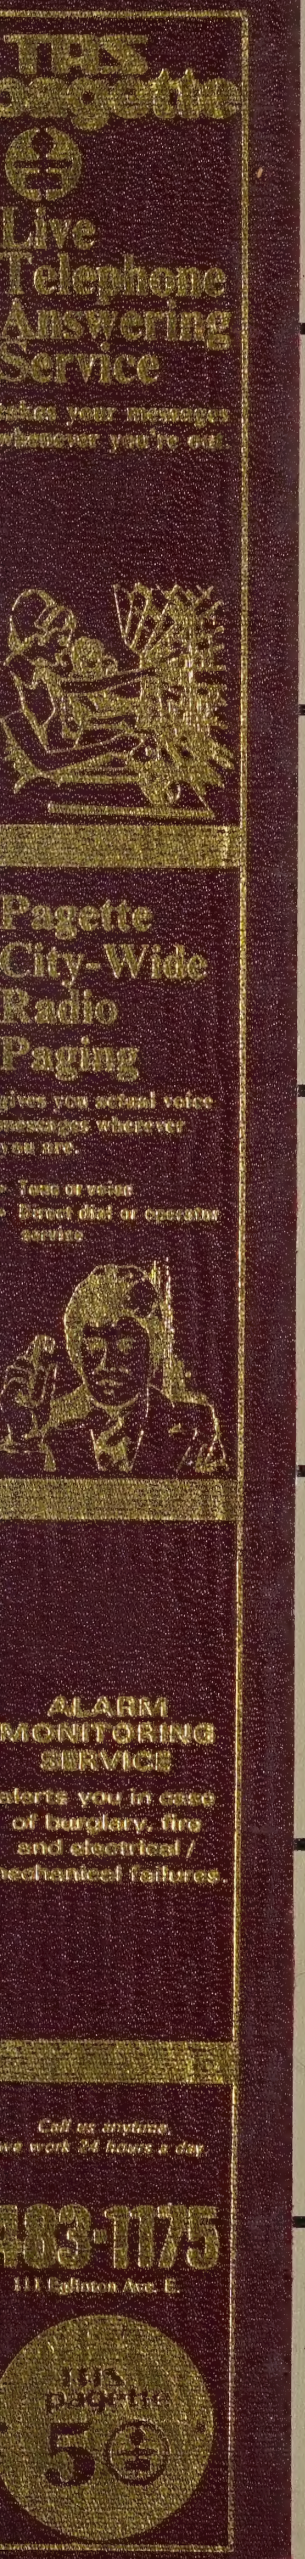
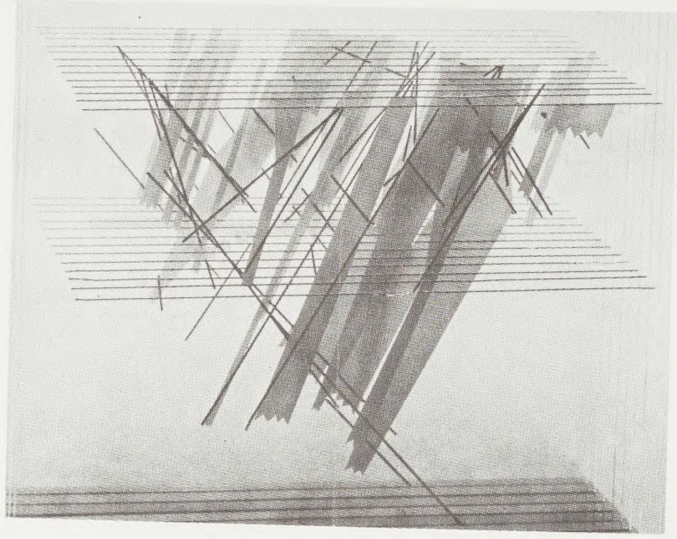
SEALMARK ROCK OF AGES

SEALMARK ROCK OF AGES



Golden Spoke Mines Ltd.



The photograph above is of a model constructed to show the gold-silver mineralized sections or zones, and underground workings on the Kozak claims where Golden Spoke has underway a surface exploration program. This model records the information compiled in previous exploration efforts and is an aid to geologists in planning further work.

Golden Spoke Mines is an aggressive mining exploration company which has acquired three semi-proven properties that are currently under exploration and development.

On it's Lake Kozak property, north of Wawa, Ontario, earlier efforts have indicated at least nine zones of gold and silver mineralization. The company has completed trenching, sampling, assaying and 4300 feet of diamond drilling where sixteen mineralized shoots in six zones has been established. These are currently being further explored to develop additional tonnage and the higher grade areas are being mined on surface from an open pit.

In the Mother Lode area of California, Golden Spoke is carrying out an underground program on a former producer that averaged ½ ounce per gold per ton. The company is now drilling and blocking out sufficient ore in order to bring this property back into production. As there are two shafts to 900 and 1400 feet, joined by 10,000 feet of underground workings the property is readily accessible for further development.

At Bachelor Lake, Quebec, a copper-nickel-cobalt property has been optioned that contains 1,900,000 tons grading .26% copper and .47% nickel plus cobalt. This chimney-like deposit is open at depth and is amenable to mining with a ramp or decline. Two of the better drill intersections gave the following results

5.64% nickel and 1.54% copper over 25 ft.
1.92% nickel and .59% copper over 102 ft.

With the high grade nickel and copper values plus cobalt, a strategic metal, an excellent return will be earned by the company.

Having raised one million dollars in new financing the company under the direction of the President Robert Rosenblat and Jean Louis Robert will be well funded to carry out all the exploration and development needed to bring these properties into production.

INTRODUCTION

and GENERAL INDEX

Might Directories, publishers, present to subscribers and the general public, this, the latest edition of the Metropolitan Toronto City Directory.

Confidence in the growth of Metropolitan Toronto's industry, population and wealth, and in the advancement of its civic and social activities, will be maintained as sections of this Directory are consulted, for the Directory is a mirror truly reflecting Metropolitan Toronto to the world.

The enviable position occupied by Might Directories in the estimation of the public throughout the country, has been established by rendering the best in Directory service. With an unrivaled organization, and having had the courteous and hearty co-operation of the business and professional men and residents, the publishers feel that the result of their labors will meet with the approval of every user, and that the Metropolitan Toronto Directory will fulfill its mission as a source of authentic information pertaining to the city.

THREE MAJOR DEPARTMENTS

The three major departments are arranged in the following order:—

I. THE BUYERS' GUIDE AND CLASSIFIED BUSINESS DIRECTORY constitutes the first major department of the Directory, printed on yellow paper, it represents advertising at its best, and lists the names of the more progressive firms and individuals arranged in alphabetical order under appropriate classified headings to further describe their products or services.

II. THE ALPHABETICAL LIST OF NAMES of residents and business and professional concerns is the second major department printed on white paper. This Directory aims to show the name, occupation and address of each adult resident of Metropolitan Toronto and the name, official personnel, nature and addres of each firm and corporation.

III. THE DIRECTORY OF HOUSEHOLDERS, INCLUDING STREET AND AVENUE GUIDE, on green paper, is the third major department. In this section the streets are arranged in alphabetical order; the numbers of the residences and business concerns are arranged in numerical order under the name of each street, and the names of householders and concerns are placed opposite the numbers. The names of the intersecting streets appear at their respective crossing points on each street. Special features of this section are the designation of owner occupied homes and the designation of telephone numbers following the name of the householder and/or firm as furnished us on our canvass.

MUNICIPAL PUBLICITY

The Directory reflects the achievements and ambitions of the city, depicting in unbiased terms what it has to offer as a place of residence, as a business location, as a manufacturing site and as an educational centre. To broadcast this information, the publishers have placed copies of this issue of the Directory in Directory Libraries, where they are readily available for free public reference, and serve as perpetual and reliable advertisements of Metropolitan Toronto.

Respectfully, The Publishers

You need it at your elbow at all times, to protect your company from forgers and bad-check artists. A few questions, checked against City Directory information, will trip them at once. Intelligent use of the City Directory for this purpose has saved thousands of dollars and helped make some cities "too sharp" for bad-check "operators."

ORANGE
Who needs it?

Who needs patriotism? Or faith? Or a sense of loyalty? Who needs dignity? A sense of responsibility? Civil and religious freedom? Who needs The Glory of God, the Welfare of Man, the Honour of The Sovereign, and the Good of our Country? You do! We all do. And that's why we all need Orangeism!

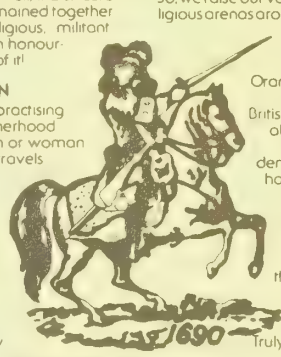
AN ANCIENT AND HONOURABLE ASSOCIATION
Orangeism—simply stated—is organized Protestantism. It was founded in Canada early in 1800. But goes back to 1689 when the Throne of England became Protestant—which it remains to this day. Ancient? Of course! Honourable? Well, if a sincere and dedicated fraternity have remained together all these years in common religious, militant political and fraternal bonds, then honourable we are. And proud we are of it!

A FRATERNAL ORGANIZATION
We like to think we're a family—practising love and mutual support of brotherhood within the Order. An Orange man or woman has a friend wherever he or she travels.

PRESERVES AND DEFENDS THE LAW
The Loyal Orange Association does not make its own laws. We profess our loyalty to the Crown and to maintain the laws and constitution of Canada. We promote an open Bible, absolute religious freedom, and the widest measure of civil liberty.

RESPECT FOR MANKIND
The Christian way is a way of charity and assistance to those who are needy and oppressed. It's a way of friendliness and brotherly love. It's honesty and tolerance. To be of The Orange Order, one must believe in and practice Christianity.

OUR VOICE IS HEARD
To be of The Orange Order also means to be concerned with problems of language rights and threatened educational systems; with the preservation of the Monarchy; with republicanism inroads and with attempts to bring discredit upon our Canadian-British heritage. And to be concerned about any deterioration of Christian ideals. So, we raise our voices in social and political and religious arenas around the world. And we are heard!



LIFE INSURANCE SYSTEM PLANS FOR THE FUTURE
Orange Insurance, otherwise known as The Grand Orange Lodge of British America Benefit Fund, is available to all members of the Order and their spouses and dependent children. It began in 1881, and has since grown into a contemporary insurance system including Growth Plans for minors, and Family Plans providing one-policy protection at a low rate. And since policyholders share in the profits, Orange Insurance has credited their policies with over two million dollars of bonus additions in the last ten years! Truly a "fraternal" insurance system!

ORANGEISM - you need it!
